

Cheshire & Merseyside Strategic Clinical Networks (CMSCN) “Atrial Fibrillation Management”

The Cardiovascular Disease Strategic Clinical Network is hosting two events to engage with all stakeholders involved in management of patients with Atrial Fibrillation across Cheshire and Merseyside. These events will bring medical professionals together to gain knowledge of the newly revised NICE AF guidelines, the impact this has on the management of patients with Atrial Fibrillation and how we strategically approach stroke prevention in 2014.

**Cheshire Event - Holiday Inn Runcorn, WA7 3HA
Thursday 11th September 2014**

**Merseyside Event – Aintree Racecourse, L9 5AS
Thursday 25th September 2014**

SAVE THE DATE

The Agenda of the event: - 9am – 1pm (Lunch/ Networking 1 – 2pm)

- Stroke prevention – “Where are we locally”
- Review of NICE AF guidelines 2014 – “Changes to practise”
- Impact on patient management in Primary care
- Symptoms v’s No Symptoms – How to assess
- Intervention – Difficult cases, how to manage

These events will provide an opportunity to:

- Hear from key regional speakers including **Dr Joseph Mills – CMSCN Cardiac Clinical Lead, Dr Bruce Taylor – CMSCN Primary Care Cardiac Clinical Lead, Dr Derick Todd - Consultant Cardiologist & Electro physiologist, Liverpool Heart & Chest Hospital, Dave Thornton – Principal Pharmacist, Clinical Services, University Hospital Aintree.**
- Increase your knowledge to positively change practice for the benefit of patient outcomes

To register for either of the events please email Debbie.moores1@nhs.net
