

Date: 12th October 2022

Time: 12:00-13:30

Where: MS Teams

Book: england.nwcyp@nhs.net

This workshop is in response to elements in the Asthma Care Bundle.

- Recognising individual signs and symptoms
- Training and updates for school staff
- Links with education pathways including SEN and EHCP
- Reviewing easy read documentation

Good practice person centred plans involving Asthma

Join us for a North West workshop which has been jointly developed with representatives from the North West Parent Carer Forum to discuss best practice when including Asthma in person centred care plans.

The workshop will also share feedback from families, discuss different triggers and prompts and highlight the key differences experienced a range of educational settings.

Guest speakers to be confirmed.
